  - a. Rooms reservation can be done using: <http://bcomnm.libcal.com/spaces?lid=2021>
  - b. Reservations are accepted no earlier than 24 hours in advance.
  - c. All rooms have a minimum number of students required for reservation. The names of **all** students present **must be** included on the reservation request. Failure to include the names of all students present will result in reservation cancellation.

    - ii. If students attempt to reserve a study space using fraudulent information, including but not limited to, using an absent classmate's email, using a false email address, or any other action attempt to exceed the allotted time.
  - h. Rooms must be left in the condition they were found. This includes returning furniture to its original layout, whiteboards cleaned, trash picked up, etc.
  - i. Failure to comply with any of the above guidelines may result in the loss of booking privileges and may be included in the student conduct file.
