

Burrell College of Osteopathic Medicine
Faculty Handbook
Conflict of Interest

All employees and Board of Trustees members of the Burrell College of Osteopathic Medicine are required to adhere to the **Conflict of Interest** policy. This policy may be found online at

<https://bcomnm.org/policy-b1041/>

In no instance will a provider of health services be requested, required or permitted to provide an academic assessment or academic decision regarding a student for whom such care has been given unless the provision of care was deemed urgent and no other qualified provider was available. This policy may be found online at

<https://bcomnm.org/policy-b9070/>
