

RESEARCH UPDATE

A WEEKLY COMMUNICATION FROM THE OFFICE OF RESEARCH & SPONSORED PROGRAMS

VOLUME 2: NUMBER 4

January 29, 2021

GENERAL INFORMATION

- **Summer Research Experience Application Deadline**
This is our final reminder that the Office of Research and Sponsored Programs is seeking student applications for the 2021 Summer Research Experience. Online applications are available through the Summer Research Experience webpage (Link: <https://bcomnm.org/research/bcom-medical-student-summer-research-experience/>) and must be received no later than **February 2nd, 2021, at 11:59 PM**. Please contact Dr. Ontiveros for more information.
- **Bio-Rad BioPlex 200 Installed in Research Laboratories**
The Bio-Rad BioPlex 200 instrument has been installed in the BioScience Research Laboratory. Kalli Martinez will receive training from the vendor on instrument maintenance and operation and will be available to assist investigators with accessing this new capability. Please contact Dr. Woods or Ms. Kalli Martinez if you have any questions about BioPlex multiplexed immunoassays.
- **Distinction in Research Accepting Applications**
The Office of Research and Sponsored Programs will begin accepting applications on January 15, 2021. Application information and requirements for the [Distinction in Research](#) are available online. Please contact [Dr. Ontiveros](#) for more information.
- **Summer Research Experience Projects Needing IRB or IBC Approval**
This is a reminder to principal investigators that now is a good time to submit and IRB or IBC protocols related to summer research projects since data collection cannot begin with the requisite approvals. Contact the Office of Research & Sponsored Programs if you have any questions.
- **AACOM Annual Meeting (Virtual Meeting)**
The 2021 AACOM Educating Leaders Conference is scheduled for April 20-22 as a virtual conference. Meeting registration will open up on February 16, 2021. Regular registration is \$395 and registration for students/interns/residents is \$225.
- **AACOM Grants to Fund Medical Education Research**
 - Apply for AACOM's annual, highly competitive [Research Grant Program](#). Topics of particular interest include those that promote wellness, diversity and inclusion in osteopathic medical education; assess student readiness for residency using Entrustable Professional Activities, milestones or other residency performance measures; and those that advance the selection of students and residents who embrace the osteopathic philosophy and are successful at colleges of osteopathic medicine (COMs). Primary investigators must be educators at a US COM. The deadline for applications is March 1, 2021.
- **AACOM [Grants to Reduce Opioid Use in Pain Management](#)**
 - The AACOM Opioid Advisory Task Force is organizing a multi-institutional study on the use of osteopathic manipulative medicine (OMM) as an adjuvant to reduce analgesics (including NSAIDs, APAP and opioids) in pain management. The Task Force welcomes both basic science and clinical researchers in the osteopathic medical education community to submit project ideas. The deadline for applications has been extended to February 23, 2021.

- **AOA Grant Opportunities**
 - The [2021 AOA Research Grant Program](#) offers opportunities for grants of up to \$100,000. The deadline for all applications is Monday, February 15, 2021. Please contact the Research Office if you plan to submit a proposal.

MEDICAL STUDENT RESEARCH

- **Summer Research Experience** **Deadline is Tuesday**
 - The Office of Research and Sponsored Programs (ORSP) is pleased to announce the 2021 Medical Student Summer Research Experience and invite you to submit applications for the program. The summer experience will be offered during the summer of 2021 and consists of a 6-week research experience that will commence with Orientation Day on June 2nd and culminate on July 17th with Medical Student Research Day. Participants are expected to attend Orientation Day, devote full commitment to the mentored research, and present their work during Medical Student Research Day. A list of available projects and applications are available on the [Summer Research Experience webpage](#). Completed applications must be received by the **deadline date: February 2nd, 2021 at 11:59 PM.**
- **Louisa Burns Osteopathic Research Poster Presentations Call for Abstracts**
 - The Louisa Burns Osteopathic Research Committee (LBORC) is calling for submissions to the [2021 Poster Presentation](#). The presentation will be held in March during the 2021 AAO Convocation. The deadline for submission is February 1, 2021.

- **AOA Research Training Grants**
 - The [AOA Research Training Grants](#) for medical students program will begin receiving applications this month. The application cycle will open on December 15, 2020 and close on February 15, 2021. These training grants provide up to \$5,000 in funding for medical students and aim to promote the osteopathic approach to care through AOA-funded research. All individuals planning to submit a grant must contact the Office of Research & Sponsored Programs and submit a [Proposal Transmittal Form](#) along with other requisite information at least five (5) business days in advance of the submission deadline. *Please contact [Dr. Benoit](#) for more information regarding the grant submission process*
- **Student Research Support Fund**
 - In support of Burrell College medical student research and creative scholarship endeavors, the Office of Research and Sponsored Programs (ORSP) is pleased to announce the new 2020-2021 Student Research Support Fund and invites student researchers to submit an application. This funding opportunity provides Burrell College medical students with limited funds to support their research and creative scholarship. Applications are available on the [program website](#)
- **Distinction in Research**
 - The Office of Research and Sponsored Programs (ORSP) is pleased to announce the [Distinction in Research](#) that will begin accepting applications on **January 15, 2021**. The Distinction is a highly intensive and optional path that provides opportunities for medical students who seek higher levels of mentored research experiences.

RESEARCH LABORATORIES

- **Laboratory Services for Faculty Investigators**
 - The Research Laboratories are pleased to announce a new effort to advance faculty-driven research by offering Laboratory Services in support of college-sponsored research. All you need to do is submit a request using a [Research Services Request Form](#).

- **Research Laboratory Access**
 - We wish to remind laboratory users to contact [Ms. Kalli Martinez](#) before visiting the Research Laboratories. We continue to operate at a reduced capacity and it is important that we maintain awareness of laboratory user access.
- **Human Physiology Laboratory**
 - The IRB and Office of Research are working with Principal Investigators towards a plan for resuming face to face human subjects research in the Human Physiology Laboratory. Each project is being considered on a project-by-project basis from a risk/benefit perspective by the IRB based on information provided by the principal investigators. Assessment of risks and benefits includes those imposed to both subjects and investigators during the current COVID-19 pandemic. Contact the [IRB](#) or [Research Office](#) for more information.

CLINICAL TRIALS INFORMATION

• *Clinical Trials Information*

[TrialSite News](#) is a digital media resource dedicated to transparent and open coverage of clinical research trial sites around the globe.

INFORMATION FOR AUTHORS

- **Case Report Guidance** ○ Many of you have informed us of your intent to publish a case report. Please consult our [Case Report Publication Guidance](#) for additional information as you prepare your manuscripts for submission. While IRB approval is generally not required for Case Reports, the College expects that authors have secured permission for medical record access and follow all applicable regulations, policies and procedures. Please feel free to contact the [Office of Research](#) if you need additional guidance.
- **Information on Publishing Venues**
 - The Office of Research and the Burrell College Health Sciences Library are available to assist with any questions that you may have regarding appropriate places to publish your research.
- **Cureus Journal of Medical Sciences**
 - Cureus is an open access peer reviewed medical journal based in San Francisco, CA that offers free publication for articles that follow their author instructions.
- **Journal of Osteopathic Medicine**
 - The Journal of the American Osteopathic Association (JAOA) is now the Journal of Osteopathic Medicine (JOM). The first issue of the new Journal will be out in January.
- **Call for COVID-19 Research Papers:** The JAOA editors invite researchers to share information and data about their experiences with COVID-19 with the osteopathic community.
- Are you interested in publishing a literature review? The Journal of the American Osteopathic Association has created a video that provides tips for putting together a quality [Systematic Literature Review](#)
