3. Faculty/Staff Responsibilities

All regular (benefit eligible) employees are eligible for sick leave benefits. Benefit eligible part-time employees are those with an FTE of at least .50 but less than 1.0, working 20 to 39 hours per week. Full-time employees are those with an FTE equal to 1.0, working 40 hours per week. Sick leave accrual begins on the first day of full- or part-time employment. Sick leave can be used after it is earned. Sick leave will not be earned during an unpaid leave of absence. Employees request sick leave through Greenshades.

Supervisors approve/deny requests through Greenshades.

4. Definitions/Abbreviations

Greenshades is the automated employee portal to the BCOM timekeeping system. Salaried (exempt) employees access Greenshades for leave requests and reporting.

Family Member: An employee's spouse or domestic partner or a person related to an employee or an employee's spouse or domestic partner as: (1) a biological, adopted or foster child, a stepchild or legal ward, or a child to whom the employee stands in loco parentis; (2) a biological, foster, step or adoptive parent or legal guardian, or a person who stood in loco parentis when the employee was a minor child; (3) a grandparent; (4) a grandchild; (5) a biological, foster, step or adopted sibling; (6) a spouse or domestic partner of a family member; or (7) an individual whose close association with the employee or the employee's spouse or domestic partner is the equivalent of a family relationship.

5. Procedural Steps

1. Sick leave will accrue as stated in the schedule below. Sick leave will not accrue for any time worked over 40 hours in a week and accruals will not exceed annual limits.
 - a. Full/Part-time accrual is approximately 3.69 hours/pay period (not to exceed 96 hours/year).
2. If the available sick leave is not used by the end of a calendar year, accrued, unused leave may carry over to the next year. If the total amount of carried-over accrued sick leave reaches 480 hours, the hours will continue to be reduced to 480 hours until the level falls below the maximum, at this point leave will begin again.
