5. Procedural Steps
1. Travel and Entertainment Expense will be controlled under SOP FIN.18.00
2. Board of Trustees Expense reimbursement will be controlled under SOP FIN.19.00
3. Recruitment travel reimbursement will be treated as a non-employee expense and centrally administered by Human Resources as a part of the search process. Please reference SOP FAF003 for procedures related to faculty recruitment, and complete the form attached to Interview Candidate Travel Requisition Guidelines.
4. In general, employee reimbursements other than those listed above will not be processed, except on a de minimis basis; please complete a BCOM Expense Reimbursement Report form to request reimbursement. General purchases including expenses incurred for delivery or pick up of food or other items should be approved in advance through the purchase requisition system, rather than allowing employees to be reimbursed for purchases made outside the requisition system. The Controller will approve emergency and de minimis other reimbursements on a case-by-case basis.
5. Employees with frequent requests for other reimbursements will be reported to the Dean/President after counsel by the Controller.
