1. Purpose
The College recognizes individuals may prefer to use a name different from their legal name to identify themselves to faculty, staff, and students. Preferred names cover first and middle names; surnames may only be changed with a legal name change. Similarly, individuals may identify a preferred gender or neutral pronoun indicating how the individual would like to be referred to by others.

Preferred names are not for the purpose of misrepresentation (inappropriate names or using the process to avoid a legal obligation) nor for other misconduct. The College reserves the right to deny use of, or to remove a preferred name if not consistent with appropriate use.
