3. Vacant positions are announced on the College’s Employment Opportunities web page and various job posting syndicates for a minimum of five days. Hiring managers may also choose to announce their vacancy on various discipline specific/niche job posting sites. Some positions may be posted internally (i.e. appointed positions, lateral positions), with prior approval from the Assistant Vice President of Human Resources.

4. The College supports and encourages diversity, equity and inclusion strategies in the recruitment and hiring processes. The Chief Diversity Officer will be actively utilized as a resource throughout all phases of recruitment and hiring.

5. The College supports and encourages hiring/promoting from within and will give preference to internal applicants when appropriate.

6. Previous/current employees that have been or will be displaced from their position within the College due to the elimination of their position for business or budgetary related reasons, will receive preference (provided they have not received any disciplinary actions and are in good standing for at least the 6 months prior) for any vacant positions for which they meet the minimum qualifications and apply for. They will receive preference for the 6 months following displacement.

7. All announcements will be reviewed and authorized by the Assistant Vice President of Human Resources.

8. Applicants must submit an online application located under the Employment Opportunities web page. Resumes are not accepted in lieu of the online application.
9. The Office of Human Resources will make the preliminary minimum qualification review for vacant staff positions. The applications will be referred to the hiring manager for vacant faculty positions.

10. Minimum qualification review decisions are to be made based on the minimum qualifications listed on the College’s job description for the vacant position. The applicants’ work history will be reviewed in the application to determine if the applicants meet the minimum qualifications for the vacant position.

11. A further review of applicant qualifications may be performed to screen applicants based on the preferred qualifications listed on the job announcement and/or the job description.

12. Only those applicants who meet the minimum qualifications for the job may be interviewed. The College will not interview those that do not meet the minimum qualifications. 28. Potential employees who do not consent to a background check or a drug test are given no further consideration. Potential employees who provide false information are given no further consideration.

29. Any consideration of excluding an applicant due to criminal conviction(s) must be reviewed by the Director of Human Resources. Exclusion is based on whether the criminal conduct is job related and consistent with business necessity. If the potential employee is considered for exclusion, the Director of Human Resources will contact the hiring manager regarding this decision. The potential applicant will be provided the opportunity to provide an explanation as to why the exclusion should not be applicable to them. They will also be provided with a copy of the criminal history report and a Summary of Your Rights Under the Fair Credit Reporting Act.

In this case, the hiring manager will proceed with forwarding a recommendation package for an alternate applicant.
