

Agreement Term: The term of this Dining Services Agreement is for one academic year (fall and spring semesters). If this Agreement is entered into after the start of the fall semester, the term is for the remainder of the fall semester and all of the spring semester. If this Agreement is entered into for the spring semester, the term is for the spring semester only. As a general rule, meal plan service will begin with dinner on the date the residence halls open and end with dinner on the last day of classes. Meal plan service will not be available during extended University holiday periods. Actual operational dates will vary according to individual locations and the academic calendar.

Eligibility: To be eligible to apply for a student meal plan, you must be admitted and registered for the semester in which applying. Enrollment may be at NMSU, an NMSU-affiliated community college, or both.

First Year Student Residency Requirement: First year student residents are required to participate, for both the fall and spring semesters, in one of the following meal plans: Premium Platinum, Classic Crimson or Hometown Aggies (Dona ana County Residents only). Students required to have a meal plan, who have not applied for one by the first day of classes, will be assigned the Classic Crimson. If a first year residency exemption has been approved by the Housing & Residential Life office, you may, but are not required, to select any meal plan offered.

Taos Meals: Taos meal allotments are issued per semester. Any unused Taos meals will not carry over from the fall semester to the spring semester.

Aggie Dining Dollars: Aggie Dining Dollar allotments are issued per semester. Meal plan participants may add additional funds to their Aggie Dining Dollars in the ID Card Services office. Unused Aggie Dining Dollar balances will roll over from the fall semester to the spring semester. Any unused balance remaining at the end of the spring semester is forfeited. This applies to all Aggie Dining Dollars regardless if associated with initial purchase of meal plan or if funds have been added.

Meal Plan Changes: You may change to another allowable meal plan during the first two weeks of meal operation in each semester. Meal plan changes will not be accepted after the established deadline for either the fall or spring semester.

Acceptance: You accept the terms and conditions of the Agreement upon submission of the Meal Plan Application. Plan design is subject to change, with appropriate written notice provided to students whom have already submitted a meal plan application.

Accommodations: Every effort will be made to accommodate special dietary needs or other health considerations. It is important, however, that you contact NMSU Dining Services in advance of the first serving day to make these arrangements. Supporting documentation may be required to assist NMSU Dining Services in meeting your needs. If you have special considerations, please include these by email to idsvs@nmsu.edu.
