3. Faculty/Staff Responsibilities
This policy applies to all "education records" of Burrell "students" as those two terms are defined within policy. All faculty and staff employees, student workers, third-party contractors, and volunteers of Burrell are expected to comply with this policy. At Burrell, FERPA is administered by the Registrar. Requests to review records, for copies of the statute or its attendant regulations, or for additional information concerning FERPA, should be directed to the Office of the Registrar.

Family Educational Rights and Privacy Act (FERPA)

5. Procedural Steps
1. Annual Notice of Students' Rights under FERPA – Burrell College publishes an annual notice on FERPA in the Student Handbook as well as on the Office of the Registrar website that summarizes student records privacy rights.

2. Students Request for Access to Education Records - In accordance with FERPA guidelines, students have the right to inspect and review their education record upon written request to the appropriate records custodian. The written request must specifically identify the records requested. Burrell College will comply with all requests within 45 days of receipt of the request.
   1. The college will utilize appropriate identification methods, such as a valid photo ID and/or verification questions, to identify the student requesting access.
   2. Records that are not considered “education records” as outlined in FERPA guidelines, will not be provided.
3. If the record includes information on more than one student, Burrell College will redact all information pertaining to other students prior to student inspection.

4. Students with outstanding financial obligations will not receive copies of their official academic transcript until those obligations are satisfied. The student retains the right to review this information with the Registrar. All students retain access to unofficial transcripts that can be accessed anytime through the student information system.

3. **Requests to Amend Education Records** - Students have the right to request an amendment of student records if they believe information is inaccurate or misleading. This request process does not include appeals for grade changes (please reference **SOP AA.004 Request for Grade Review**). If Burrell College decides not to amend the record as requested, the College will notify the student in writing of the decision and the student’s right to a hearing regarding the request for amendment.

4. **Disclosure of Personally Identifiable Information** – The College requires signed, dated, written consent from a student to disclose personally identifiable information from an education record, except as otherwise noted in FERPA guidelines.
   1. The consent to disclosure must specify the records for which consent is granted, the purpose for the disclosure, and the identity of the person or organization to which the record can be disclosed. Students can provide consent to disclosure of information by submitting the Burrell College FERPA Authorization to Release Student Education Information form to the Registrar’s Office. The consent will remain in effect until rescinded in writing via Revocation form or as noted in the “Duration” section of the request.
      1. In the event the form can not be submitted in person, students are required to have the authorization form notarized and returned to the Office of the Registrar via fax or email.
      2. Students can also submit this form electronically via their student portal by completing the “Authorization form”.
   2. The College may disclose information from a student's education record to parties listed in FERPA Policy B9040.

5. **Disclosure of Directory Information** - Information designated as directory information may be released by the College without a student's consent.

3. Restricting directory information does not prevent the College from disclosing or requiring a student to disclose a student’s name, student ID, or electronic identifiers in a class in which the student is enrolled. A student may authorize the College to disclose the student’s record and information subject to the law and applicable policies. The Authorization to Release Student Education Record Information form may be found on the College’s website: https://burrell.edu/students/office-of-the-registrar/
