1. **Purpose**  
To ensure that the College’s treatment of program income meets all federal requirements established for grant recipients and subrecipients.

2. **Related Policy/Authority**  
Policy B3050 Federal Funds Compliance  
2 CFR §200.307

3. **Faculty/Staff Responsibilities**  
Dean’s Office, Controller, Assistant Controller, Principal Investigator (PI)

4. **Definitions/Abbreviations**  
Program Income = gross income earned that is directly generated by a supported activity or earned as a result of a federal award during the period of performance.

5. **Procedural Steps**  
The following procedures will apply:

   1. Anticipated program income will be included in the proposal documentation and in the budget in accordance with general federal and sponsor-specific regulations and requirements. With prior agency approval, program income may be used to meet cost sharing or matching requirements.
   2. The PI will ensure that all program income is collected from allowable sources and used in accordance with program and overall federal regulations and requirements.
   3. The Assistant Controller will determine that program income is calculated in accordance with federal criteria, and properly reported in the accounting records. Costs incidental to the generation of program income not otherwise charged to a sponsored project will be deducted from gross income in the calculation of program income.
