Burrell has 2 loan options under health professional studies:

1. SallieMae
2. College Ave

There are tools to help a student find the most competitive benefits, interest rates and repayment options.

With the **Loan Estimator**, a borrower can estimate monthly payments based on amount of loan borrowed, a sample annual percentage rate (interest rate) and length of the loan terms.

The screenshot shows a web interface for a Loan Estimator. At the top, there are navigation tabs: 'Lenders', 'Filter', and 'Loan Estimator'. The main content area is titled 'Loan Estimator' with an information icon. It features two input sections: 'Loan Amount' set to '\$10,000' and 'Length of Loan' set to '10 years', each with a green slider below it. Below these are two sections for APR. The first section, 'APR 1', shows a 3% rate, a total cost of \$13,093, and a monthly payment of \$109, with a green slider below. The second section, 'APR 2', also shows a 3% rate, a total cost of \$13,093, and a monthly payment of \$109, with a green slider below. A dropdown menu labeled 'Advanced' is visible between the APR sections.

Parameter	Value
Loan Amount	\$10,000
Length of Loan	10 years
APR 1	3%
Total Cost (APR 1)	\$13,093
Monthly Payment (APR 1)	\$109
APR 2	3%
Total Cost (APR 2)	\$13,093
Monthly Payment (APR 2)	\$109

The **Sort & Filter** feature is an advanced search capability that gives the borrower sort options including repayment type, index rate (variable or fixed), enrollment requirements and academic progress requirements.

The screenshot shows a web application interface with a navigation bar at the top containing 'Lenders', 'Filter', and 'Loan Estimator'. Below this is a 'Sort & Filter' panel with a green refresh icon. The panel includes three dropdown menus: 'Sort', 'Repayment Type', and 'Index Rate Type'. Below these are three filter sections, each with 'Yes', 'No', and 'All' buttons and an information icon. The first filter is 'Less Than Half Time Enrollment?' with 'All' selected. The second is 'Satisfactory Academic Progress Required?' with 'All' selected. The third is 'Past Due Balances Applied?' with 'All' selected.

A student can compare up to 2 lenders at one time to review the general information, repayment options, benefits and fees.
